## More About Us

Go-Woman Alliance Europe was founded in 2022 to tackle social exclusion and spark innovation across European communities. We specialise in working with disadvantaged groups, including women, asylum seekers, migrants and young people. [More on our website »](#)

Our leadership team brings a wealth of experience from European projects, gained through our sister organisation

[Go-Woman! Alliance CIC.](#)

We've worked on programmes like Leonardo, Grundtvig, and Erasmus+, developing tools and sharing practices to support people facing barriers to employment and inclusion.

## Our Current Projects

### Healthy Arts

Using art and creativity, this project supports young people facing mental health challenges, promoting inclusion through talent-based youth work.

### 3 Kitchens

Our Erasmus+ project empowers migrant women through cooking, building skills in volunteering, work, and business while celebrating culture. ([3kitchens.eu](#)).

### FEMpower

Empowering women with financial skills to boost confidence, independence and long-term security. [Fempower.finance](#)

**Many of you met us at the Volunteer Job Fair organised by Volunteer The Hague. It was a fantastic opportunity to connect with a diverse group of individuals and organisations who share our values. We are proud to have welcomed passionate volunteers to our team, all committed to making a meaningful impact.**

## A Migrant Woman's Perspective on Finance

During our research for the FEMpower project, our volunteer Esther Maturi came across a powerful story from Dorothy Attema author, confidence coach and 2024 Voice Achievers African Writer of the Year.

Her reflection on navigating finance, culture and motherhood in the Netherlands struck a chord with us. She's now featured on our website as a case study sharing insights into what truly supports migrant women.
